Please Complete this Contribution Form to Participate In Maharishi Yagya Performances for the Nation

(For forms of donation other than credit card, please see page three)

- A new set of Maharishi Yagya performances for the nation will begin each fortnight—approximately every two weeks. You may choose to contribute for any set of performances.
- Maharishi Vedic Foundation is a non-profit organization and donations for the Maharishi Yagya program for the nation (and for your own personal Maharishi Yagya performances) are tax-deductible.
- Many large contributions are needed to sponsor these special performances due to their unprecedented size and purpose. With a contribution of \$1,250 or more, your name will be acknowledged in the Maharishi Yagya performance, and we will provide you with suggested guidelines to follow during the days of the performance.
- If you own appreciated stock, your gift of stock to Maharishi Vedic Foundation is tax-deductible and you may not have to pay the customary capital gains tax. Gifts of other kinds of assets may also be tax deductible.
- The first priority is to have your personal Maharishi Yagya performances regularly, to help protect your health and promote progress in all areas of your life. Please contact us for more details.
- Thank you for your generosity and support for Maharishi Yagya performances for the USA. When you support the enlivenment of Natural Law for the nation through this program, Natural Law will nourish and support you and your family in return.

I understand that a Maharishi Yagya performance is an action which brings balance to all the laws of nature. For any particular area of life that is not in tune with Natural Law, Maharishi Vedic Foundation offers Maharishi Yagya performances, which are based on the eternal Vedic wisdom and tradition, to restore balance in the functioning of Natural Law. In placing this request I express my appreciation for Maharishi's teachings and my respect for the *Maharishi Vedic*SM Pandits who will be performing the Maharishi Yagya program in India.

I agree that by participating in the Maharishi Yagya program any knowledge I gain will not be used by me as a substitute for health care treatment, programs or advice normally received from doctors, lawyers or financial advisors. Maharishi Vedic Foundation and its collaborating organizations do not make any warranties or representations concerning any specific results or effects with respect to the Maharishi Yagya program.
